UNIVERSITY  
OF MALAYA

Master of Economics (MEC)

FAKULTI EKONOMI DAN PERKULIAHAN  
FACULTY OF ECONOMICS AND ADMINISTRATION

# Faculty of Economics and Administration

The History of the Faculty started with the establishment of the Department of Economics within the Faculty of Arts, University of Malaya in 1959. The Faculty of Economics and Administration (FEA) was founded in May 1966 to meet nation's growing demand for a professional work force. Beginning with just 14 students and three academic personnel, headed by Royal Ungku Aziz, FEA has evolved into a flourishing academic community of professors and lecturers with international reputation in their respective fields.

Drawing the strength of four departments; Economics, Administrative Studies and Politics, Development Studies and Applied Statistics, FEA currently offers the Bachelor of Economics degree and five programmes at the Postgraduate level: Master of Economics, Master of Public Administration, Master of Applied Statistics, Master of Development Studies and Doctor of Philosophy.

## Mission

To realise the Vision of the University to be an education and research centre of excellence for knowledge creation and dissemination through teaching, learning and research in the fields of economics and administration.

## Vision

To advance academic excellence in the fields of economics and administration.
